

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 1221 – SB 1340

March 28, 2017

SUMMARY OF ORIGINAL BILL: Authorizes elected district attorneys general, full-time assistant district attorneys general, full-time pro-tem prosecutors employed by the District Attorneys General Conference (DAGC), the Executive Director of the DAGC, and the Deputy Director of the DAGC to carry firearms in the same manner as a law enforcement officer if such individuals have completed POST-certified training.

FISCAL IMPACT OF ORIGINAL BILL:

Other Fiscal Impact – To the extent the District Attorneys General Conference pays for any individual to complete the POST-certified training, the initial 40-hour training costs \$520, and the annual 8-hour training thereafter costs approximately \$130. Otherwise, the fiscal impact of the bill is estimated to be not significant.

SUMMARY OF AMENDMENT (006380): Deletes and rewrites the bill without making any substantive changes to the legislation.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Tennessee Code Annotated § 39-17-1350 authorizes any law enforcement officer to carry firearms at all times and in all places within Tennessee, except for certain noted exemptions. The proposed legislation broadens the definition of “law enforcement officer” to include district attorneys, assistant district attorneys, and certain DAGC staff if the individuals have completed POST-certified training.
- According to POST, the cost of the initial 40-hour training is \$520, and the cost for annual 8-hour training is approximately \$130.
- The proposed legislation does not require district attorneys, assistant district attorneys, or DAGC staff to complete the training, but to the extent such individuals do complete the training, it is assumed that the DAGC will pay for the training.
- However, it is assumed that the proposed legislation will not significantly impact state or local operations.
